Barium Messenger

VOL. 33 BARIUM SPRINGS, N. C., FEBRUARY 1955 NO. 3

Special Services For Youth Week

The Council of the Senior High Fellowship planned and directed the special services for Youth Week. The young people of the old Council presided and took part in the morning service. Joyce Kelly, Lucy Troutman, Mac McClure, and Mirton Cox gave talks about the Youth Program and the other members took part in the choir in the special service. A very impressive installation ceremony was planned and carried out at the end of the service, with the minister installing the new Council members. Those charged with the leadership of the Youth work in the church for the coming year are: Mac McClure, president; Walter Plyler, treasurer; Shirley Johnson, secretary; Martha Evans, program chairman; Nancy Lee Kyles, Chairman of the Commission on Christian Faith; LeNair Burns, Chairman of the Commission on Christian Witness; Joyce Ferrell, Chairman of the Commission on Christian Outreach; Melvin McKenzie, Chairman of the Commission on Citizenship; and Nellie Sellers and Lawrence Ramey, Chairmen of the Commission on Christian Fellowship.

Special services were planned to begin on Sunday evening and carried through Wednesday. The Reverend Walter H. Styles, pastor of the Waldensian Church at Valdese, was the guest speaker. Mr. Styles spoke to the Pioneers and to the Senior High Fellowship group on Sunday night, and then spoke at the Chapel Program on the following mornings, concluding his services with prayer meeting on Wednesday evening. The group was particularly inspired by his leadership because they had known him as the adult advisor for the Youth Council of Concord Presbytery and the Conference Director at Camp Grier.

The membership of the Senior High Fellowship group of Little Joe's Church is larger than the membership of a church having 800 or more members in an average community. This is all the more reason why particular emphasis is given to the work with these boys and girls under the leadership of the minister, Reverend Robert R. Collins. With the help of the new Council and the other interested members of the church, good things are anticipated in the life of the young people as they plan and carry out their Youth work.

The Cross Is Lifted High

With majestic beauty and sacred symbolism, the cross at the point of the steeple now stands as an inspiration to all who dwell in this community and travel along its highway. The tall, tapering steeple, covered with leaded copper, terminates in the aluminum cross, one hundred and eleven feet above the ground. Not only is this cross seen from every spot on the campus, but from the fields and neighboring farms, and from the City of Statesville, four and one-half miles away. Thus the most beautiful story ever told and the greatest love ever known is herein symbolized and manifested to all who pass under its shadow or come near its dwelling.

Everyone anxiously watches the progress being made on the church and eagerly anticipates the date of finish. The contractor is of the opinion that the building will be ready for use in May or early June. The senior class is fondly dreaming that the commencement service may be the first one held in the church at their time of graduation. This is a bare possibility, but cannot be

Seniors Take Guidance Tests

The service of the Vocational Clinic at Flora Macdonald College were made available to the members of the senior class at Barium Springs. The students left Barium early in the morning, arriving at Flora Macdonald before noon. The next twenty-seven hours spent on the campus were given largely to the test presided over by Mr. Roger Decker, head of the department. The group returned to the campus the following day, arriving about nine o'clock in the evening. The tests will be evaluated and Mr. Decker plans to visit Barium Springs and have an interview with each member of the class, at which time the result of the testing will be disclosed and the students' aptitudes indicated.

In addition to the test, the administration and students of Flora Macdonald had planned for the visit of the seniors. Meals were taken in the dining room, the girls were housed in

Six Boys And Two Girls Arrive

January and the first week in February saw eight new children come to the campus. Six of these are boys and two are girls. Jimmy Dennis and Jimmy Everett have joined the little boys at the Baby Cottage. Patsy Everett, in the first grade, has become a member of the household at Annie Louise Cottage with the other little girls of the first, second and third grades. Mike and Terry Roderick were two good additions to the Wigglers of Synod's Cottage and are becoming a real part of this group of little boys. A. C. Everett, with his red hair, has found himself a red-headed pal at Lees Cottage and is getting off to a good start with the junior age boys. The two other children, one boy, Wayne Wright, is in the eighth grade and living at the Quads, and Rachel Bass in the ninth grade will be living in the Woman's Building with the high school girls.

All eight of these children are making their place in the Home and are already beginning to feel that they have been here longer than the calendar would show.

Barium Cagers Divide With Statesville Teams

By JERRY JOSEY
(From Record & Landmark)

The tables were reversed here on the night of February 15th in a South Piedmont conference doubleheader at the Statesville High school gymnasium.

Fans poured into the gymnasium in anticipation of seeing a closely-fought battle between the Barium Springs tornado six and the Greyhound lassies, and they sat unbelievingly as the Hounds rolled to a 100-70 victory.

But they expected the Statesville High boys to roll with ease over Barium Springs in the second game of the twin attraction. Barium boys pulled the upset of the year and handed the Greyhounds a 56-53 licking.

That the best was saved to last was evident from the start of the boys game. It was close, hair-raising and had its dramatic moments as both clubs fought a determined battle.

Coach Al Hiatt of the Greyhounds summed the outcome

(Continued On Page Two)

Barium Girls Win Thriller

Barium Springs' Tornado six came through in a story-book finish at Thomasville, Feb. 8 to win their eighth game of the South Piedmont conference season, dropping Thomasville by a slim 59-58 margin.

The Tornado quintet fell behind a Thomasville onslought and suffered a 58-46 defeat.

Thomasville girls held a three-point lead with 11 seconds remaining in the girls game. That set the stage for Edna Baucom and Phoebe Cochrane of Barium Springs to bring the victory to the Presbyterians.

A Thomasville guard fouled Baucom and she sank both foul shots for 58-57 Thomasville. Cochrane blasted through a field goal with approximately two seconds on the clock for the 59-58 victory.

Guards Lena McLean, Barbara McCall and Nancy Kyles aided the Barium victory with an outstanding defensive job in the final quarter.

Baucom hit 36 points to lead Barium and Cochrane had 18. Thomasville's Beck had 31.

Barium boys fell behind in the first period and Thomasville never had any serious trouble. Thomasville led 45-40 at the end of the third period and Barium was in striking distance. But a bad fourth quarter spelled defeat for the Tornadoes.

Lawrence Ramey and Ray Smith led Barium, each hitting 10 points. Thomasville guard Mullis, hitting 12 of the 15 foul shots, was tops for the winners with 28 points.

Lineups:

GIRLS GAME

Pos.—Barium	Thomasville
F—Ramsey 5	Kanoy 9
F—Baucom 36	Carter 18
F—Cochrane 18	Beck 31
G—McLean	Carpenter
G—S. Johnson	McCaskill

Thomasville	15	16	14	13—58

Substitutions: Barium Springs - Rice 4, R. Smith 10, Plyler 3.

Thomasville - Still 2, Cranford, Streetman.

Score at half — Thomasville 31, Barium Springs 25.

UNDER THE STEEPLE – Nuggets of News

From Little Joe's Church

By

Robert R. Collins, *Minister*

Two other articles in this issue of the Messenger carry in detail recent activities pertaining to our young people in the church. From a more personal side and as minister of the church, I would like for you to know that behind the candlelight service on Youth Sunday when the new officer of the Senior High Fellowship were installed there is another picture. It is the picture of the old and new council members meeting together in prayerful consideration of the work for the coming year. It is the picture of the entire young people's group attending the District Rally, learning of their duties and opportunities to serve Christ through His Church in the days ahead. More than this, it is the picture of the conversation in the school building during the week, in the cottages, the Quads, and on campus about this whole matter of being a Christian that really makes the Dedication Service impressive. Candlelight is lovely, but not nearly so impressive as the light of spiritual growing pains that flickers and glows a bit brighter in the lives of the young men and women of our church. Long after the candles in the church sanctuary have been extinguished the light in the eyes of these followers of Christ will shine to remind us that He alone is the "Light of the world".

The messages that the Reverend Walter H. Styles of Valdese brought during the Youth Week services put the Christian gospel on a plane where none of us could fail to understand it and be enriched by it. Such themes as "Show Proof of Your Love: Through the Church; Through Christian Decisions; By A Life of Prayer; and By Meeting Your Needs in a Christian Way", all of these gave us pause for some serious reflection upon our relationship to Christ. Particularly did the message on our basic Christian needs prove helpful, as we were reminded that all men require (1) work, (2) play, (3) love, and (4 worship. If we seek to meet these needs and fulfill them in a Christian way we may be assured of happy, useful lives. To fail to meet these basic needs through the mind of Christ is to invite disaster and unhappiness, Mr. Styles told us.

There are always minature portraits that you see from time to time in every home that you want to capture and keep. One of these came to me recently as I slipped into Annie Louise Cottage after dinner on Sunday. There I found the housemother, Mrs. Gentry, with some ten or twelve of her little girls reciting the catechism. All were seated around her knee with amazing attentiveness repeating those wonderful answers that have served for so many years as a guide for Christian living. How good it would be if this portrait could be snapped in living rooms all across our land on Sunday afternoon.

And speaking of home, the beautiful new Manse was completed last month and we who live in it find it a comfort and joy in every respect. It is indeed a lovely place that has been provided for the minister of Little Joe's Church and we are truly grateful for that which God through His people has provided

Last Saturday night, February 13th, we played host to some one hundred young people from five different churches of the Troutman area for a fine youth rally. A worship program was planned and presented by the young people from the various churches in the sanctuary of Little Joe's Church. Following this service a fellowship hour of directed recreation was held in the Johnston gymnasium. It was wonderful having all these friends visit with us. We hope that you, too, will plan to stop at Barium Springs soon. Those of us in the church and at the manse always consider it a pleasure to see folks from across the Synod.

COTTAGE NEWS

The little cowgirls are back again to bring you the new events that have happened to our big family. It has snowed since we wrote you last and we hope you had as much fun in the snow as we did. We built a snow man, one of the boys knocked it down before we could enjoy it very much, but one of our big girls who loves snow went back out one night after supper and made up another one that was big and fat. Some of us built an ice house which was very beautiful. Our snow didn't last very long but we sure enjoyed it.

We wish to thank the very nice lady that sent us the cowgirl suit. It was very pretty. We were all bidding for it. Thank you again for being so generous.

We have had a little new girl to stay with us. Her name is Patsy Everett. She is a cute little girl and we are certainly glad to have her.

We will soon get our report cards and we hope many more will get on the honor roll. We will be looking forward to seeing what we make. See you soon.

—Annie Louise Girls.

Quad's News

With only two more weeks to go in February, and only three more basketball games to play, we realize that Spring is on its way and will be here before long.

We had one good snow this year, which every one enjoyed very much. The Quad boys wanted to set a record by building the biggest snow man in Iredell county. We built two, one was nine feet and six inches tall, the other was eleven feet, four inches tall. In a way we wish that these snowmen would come alive and play football for us next year. I think they could give Jim Campbell and Ernest Austin a race for their spot on the team.

The five senior boys and two underclassmen recently took a trip to paradise, or so it seemed, when we went to the girl's college at Red Springs. The only trouble was the girls were not used to seeing so many good-looking boys at one time and they didn't know what to do.

Last week the campus was shocked by the realization that Ralph J. and Woodie S. are growing up. They were caught shaving.

There are only thirteen more weeks of school. The seniors, looking forward to graduation, have already begun to get ready to leave. We wish them luck in these last three months.

It is a well known fact about the campus, that Ronnie H. has been going steady with four different girls and that Barbara M., while dating only one, is said to go steady with a Yankee.

Well, see you next month.

—Lee Roy Norman

BARIUM CAGERS DIVIDE

(Continued From Page One)

up with one short sentence. Hiatt said "They outplayed us tonight" and that summed up the situation just about as well as it could be stated.

Coach Archie Calhoun had high praise for his boys after their upset victory. Calhoun said "Our boys played a good game. Their boys were expecting an easy game against us. I don't think that they were up for the game as much as my boys."

The game was one of the hardest fought and probably the most thrilling witnessed here in quite some time. The encounter was deadlocked 13 times. Barium forged ahead on 10 occasions and the Greyhounds moved into the lead only five times.

It was an uphill battle for Statesville all the way and the Hounds never hit their usual stride. The game was rather rough and foul shots proved to be the margin of victory for Barium. All total, 50 fouls were assessed. Barium hit 21 of 41 foul shot attempts while Statesville hit 19 of 39. Thus, 43 of the 109 points scored in the game were via the foul route.

Barium pulled to a six-point advantage in the third period for the longest lead of the night. Both teams had four-point margins at various times.

One big disappointment in the Statesville attack was the failure of Forward Jerry Young to break into the scoring column. Young usually is one of the high scorers for the Greyhounds, but he couldn't buy a basket. Young fouled out in the third quarter and Butch Allie had the five foul total in the closing seconds of the game. Barium also lost 2 men on fouls, Lawrence Ramey in the third period and Boyce Dean Smith in the fourth quarter.

The Greyhounds led at the end of the first quarter by a 14-12 count. Barium recaptured the lead in the second and dominated play until Jerry Gibson hit two foul shots with 45 seconds remaining in the half for a Statesville 26-24 margin.

Statesville led until midway in the third period when Barium substitute Walter Plyler dropped in a pair of free throws for a 33-31 Barium lead and the Tornadoes were never behind the remainder of the game. Statesville tied the game three times after that point and was behind by one-point on four occasions but couldn't muster the necessary drive to go ahead.

J. D. Harris hit a foul shot with 1:50 remaining for the final deadlock at 50-50. Ray Smith of Barium was the boy that provided the necessary spark to pull the Tornadoes back into the lead and grab the victory. Smith hit two foul shots and a field goal for a Barium 54-50 lead with one minute to go.

Pete Gosnell hit a hook shot and Butch Allie's free throw brought Statesville back into contention at 54-53 with ten seconds left. Mirton Cox grabbed the tipoff after a jump ball and drove in for the final goal and the Barium insurance for the 56-53 victory on the final buzzer.

Allie had 19 to pace the Hounds, along with 12 by Gosnell and nine by J. D. Harris. Mirton Cox was the big man for Barium, dropping in 15. Ernest Austin had 10 and Boyce Dean Smith hit nine.

The fact that the Statesville girls victory in the first game practically assured them of the South Piedmont conference championship in the North Division.

Provided the Greyhounds get by Mills Home and Asheboro in their last two conference tussles, they should annex the girls division crown. Barium suffered their second loss of the year and the second defeat by Statesville to drown their hopes of the championship.

Barium has three games remaining, playing Lexington, Spencer and Children's Home. Should Statesville drop either of their two remaining games and the Tornadoes win all three of their tilts, the division would end in a two-way deadlock between the Greyhounds and Barium.

Greyhound guard Helen Holton was the main force behind the Statesville victory. Holton turned in one of the best defensive performances witnessed in this area recently and definitely had a big hand in the Barium defeat. Holton, along with Beth Jackins and Laura Lambert, held Barium's forwards to only 14 points in the third quarter as Statesville rolled to a big lead.

Bad passing by the Barium forwards in the first half had a big hand in their defeat. Guards Lena McLean, Barbara McCall, Nancy Kyles, Nellie Sellers and Shirley Johnson were able to stop several Statesville scoring attempts, only to see their forwards lose the ball in Barium territory.

The expected scoring duel between Arlene Balsavage of Statesville and Edna Baucom of Barium failed to develop. Balsavage missed her first four field goal attempts and it looked as if the Statesville point-maker would have a bad night. Balsavage recovered quickly and hit 81 points to account for the biggest part of the Statesville win. Baucom hit 41 for Barium. Delores Ramsey hit 20 points for Barium, mostly on beautiful drives down the side. Margie Lunsford added 15 to Balsavage's tallies for Statesville.

Statesville supporters started screaming midway in the fourth period for the Greyhounds to hit the century mark. They held a 80-60 lead at this point.

Nancy Menscer replaced Jane Pope in the Greyhound lineup in the final minutes. Her field goal and only score gave Statesville the coveted 100 point total with approximately two seconds on the clock when she shot from near the foul circle.

Statesville travels to Mills Home Friday night while Barium meets Lexington's Yellow Jackets at Barium. Both games are scheduled to get underway at 7 p. m.
